Introducing Online Facilities Log Book at High Court Pretoria

Dear Member,

The Pretoria Attorneys' Association is proud to announce that we have partnered with the court manager of the Pretoria High Court (Palace of justice and main court building) to introduce an online log where facilities issues such as aircons not working, broken door handles / toilet seats and similar issues experienced can be reported.

The online Pretoria Court Facilities Log Book can be accessed via the link below:

<https://www.ppv.co.za/forms/#1689322594296-8b60d7fd-4d38>

and is also accessible via the PAA website (www.ppv.co.za) under the "forms" section at "Pretoria High Court Facilities Log Book".

Issues logged making use of this functionality will be brought to the attention of the court manager via email when logged, and she will also be provided with a weekly spreadsheet containing all issues logged.

The Court Manager has in turn undertaken to provide the PAA with regular feedback of her actioning of issues logged, thereby ensuring neat, functional and efficient Pretoria High Court facilities.
