Practice Directive 1 of 2023 - Member inputs requested by close of business Wed 13/09/2023

Esteemed PAA Members,

We trust that our high court practitioners have by now taken the time to familiarise themselves with Practice Directive 1 of 2023 as published by the Judge President's office on 22 August 2023, and which is due to come into effect on 1 October 2023.

At the recent Pretoria Efficiency Enhancement meeting held on Thursday 7 September 2023, Deputy Judge President Ledwaba reported that his office has received a number of complaints regarding said directive. It was proposed that a meeting be arranged between representatives of the organised profession and DJP Ledwaba, and if possible DJP Sutherland and JP Mlambo to discuss proposals regarding possible amendments to said directive. The meeting is being arranged for 28 September 2023.

The PAA was requested to submit proposals on behalf of our members in preparation for said meeting by close of business coming Friday 15 September 2023.

Member firms are requested to please let us have their inputs regarding the above in writing, same to be emailed to highcourt@ppv.co.za by close of business coming Wednesday 13 September 2023.

We will unfortunately not be able to accommodate any late submissions.

We again annex for your ease of reference Practice Directive 1 of 2023.

Kind regards

Nicolette de Witt
